

iii. BACHELOR OF FINANCE WITH HONOURS [BFIN (HONS)]

INTRODUCTION

The Bachelor of Finance with Honours programme, which made its debut in 2002 was the first finance specialization programme to be offered by any public universities in Malaysia. This programme is designed to provide an integrated view of the theoretical and practical aspects of finance to those who are preparing for careers in any finance-related fields. The programme is structured in such a way to equip the graduates to be successful in a dynamic business environment, hence enabling them to contribute in raising the financial performance of the country to a better height.

PROGRAMME GOALS

The Bachelor of Finance (Honours) programme is offered to meet the following objectives:

1. To cultivate each graduate a capacity of life-long and self-learning in facing any financial issues.
2. To develop interpersonal dynamics, leaderships, teamwork, and problem-solving skills including critical thinking skills and decision making skills.
3. To develop in each graduate an appreciation for the role of the finance profession in the internal and external business environment in meeting the demand of the industry.

CAREER PROSPECTS

This programme offers a strong path for growth prospects and opportunities to climb up the ladder abound in the area of finance. With a broad knowledge framework in business and specialized knowledge in financial management, which is a highly attractive profile, graduates can get involve in consumer and investment banking, financial institutions, corporate finance and international finance. Graduates can also end up providing consultancy services to corporate and government organisations.
