

## **BACHELOR OF FINANCE WITH HONOURS [BFIN (HONS)]**

### **INTRODUCTION**

The Bachelor of Finance with Honours programme, which made its debut in 2002 was the first finance specialization programme to be offered by any public universities in Malaysia. This programme is designed to provide an integrated view of the theoretical and practical aspects of finance to those who are preparing for careers in any finance-related fields. The programme is structured in such a way to equip the graduates to be successful in a dynamic business environment, hence enabling them to contribute in raising the financial performance of the country to a better height.

### **PROGRAMME GOALS**

The Bachelor of Finance (Honours) programme is offered to meet the following objectives:

1. To cultivate each graduate a capacity of life-long and self-learning in facing any financial issues.
2. To develop interpersonal dynamics, leaderships, teamwork, and problem-solving skills including critical thinking skills and decision making skills.
3. To develop in each graduate an appreciation for the role of the finance profession in the internal and external business environment in meeting the demand of the industry.

### **CAREER PROSPECTS**

This programme offers a strong path for growth prospects and opportunities to climb up the ladder abound in the area of finance. With a broad knowledge framework in business and specialized knowledge in financial management, which is a highly attractive profile, graduates can get involve in consumer and investment banking, financial institutions, corporate finance and international finance. Graduates can also end up providing consultancy services to corporate and government organisations.

#### **PROGRAMME STRUCTURE FOR BACHELOR OF FINANCE WITH HONOURS [BFIN (HONS)]**

In general, the Bachelor of Finance with Honours programme structure comprises of **SIX (6)** components as follow:

<b>COMPONENT</b>	<b>CREDIT HOURS</b>
A. UNIVERSITY CORE	25
B. PROGRAMME CORE	48
C. SPECIALIZATION	30
D. PROGRAMME ELECTIVES	12
E. PRACTICUM	8
F. FREE ELECTIVE	3
<b>TOTAL</b>	<b>126</b>

To be awarded the Bachelor of Finance with Honours, a student is required to complete **at least 126 credit hours** and must get at least 2.00 cumulative grade point average through the following structure:

#### **A. UNIVERSITY CORE (25 CREDIT HOURS)**

<b>Course Code</b>	<b>Course Name</b>	<b>Credit Hours</b>
--------------------	--------------------	---------------------

**Semester Pertama Sesi 2018/2019 (A181)**  
(September 2018)

SADN1013	Islamic and Asian Civilization I	3
SADN1043	Ethnic Relationship	3
SADN1033	Malaysian Nationhood Studies	3
SBLEXXX	English Core	9
SADE1013	Introduction to Entrepreneurship	3
VXXXXXX	Co-Curriculum	4

Choose **ONE (1)** co-curriculum course to fulfill the 4 credit hours co-curriculum requirement.

**B. PROGRAMME CORE (48 CREDIT HOURS)**

COURSE CODE	COURSE NAME	CREDIT HOURS	PREREQUISITE
SQQS1013	Introduction to Statistics	3	None

**COURSE SYNOPSIS**

**BWFE3013 REAL ESTATE MANAGEMENT**

**PREREQUISITE: BWFF2033 Financial Management**

This course is an introduction to the study of real estate management. It is also to enhance student's understanding regarding present situation and local practices in real estate management. The topics include real estate characteristics, real estate economic, legal aspects such as ownership and title, Torrens system, The Malaysian National Land Code, real estate financing, real estate investment and real estate development and property management. Methods in valuation of real estate properties such as sales comparison approach, income approach and cost approach are discussed.

.....

**BWFF1013 FOUNDATIONS OF FINANCE**

**PREREQUISITE: None**

This course introduces the principles and the basics of financial management of a business entity. An introductory level of investment management and short term financing as well as long term financing will be introduced. Methods for financial position evaluation such as financial ratios are also covered. In addition, financial planning and forecasting will be discussed.

.....

**BWFF2033 FINANCIAL MANAGEMENT**

**PREREQUISITE: BKAF1023 Introduction to Financial Accounting OR BKAL1013 Business Accounting OR BKAR1013 Financial Accounting and Reporting 1**

This course introduces the theory, concept and application of financial management with emphasis on short term financial management and financial instruments which are used in financial decision making. The discussion on short-term financial management covers topics on short term financing as well as current assets management which include cash, marketable securities, account receivables and inventory. Among the concepts and financial instruments discussed are financial analyses, risk and return concept and time value of money.

.....

**BWFF2043 ADVANCED FINANCIAL MANAGEMENT**

**PREREQUISITE: BWFF2033 Financial Management**

This course is a continuation of BWFF2033 Financial Management and it which focuses on investment decision-making and long term financing decision. In line with the main objective of this course, the time value of money concept which was introduced in BWFF2033 Financial Management will be reviewed as a preparation to apply this concept in other topics such as security valuation, cost of capital, and capital budgeting. Besides that, leverage and capital structure, and dividend policy will be discussed.

.....

**BWFF3013 CORPORATE FINANCE**

**PREREQUISITE: BWFF2043 Advanced Financial Management**

This course intends to strengthen the understanding of financial management which has been learned in BWFF2033 Financial Management and BWFF2043 Advanced Financial Management. This course will focus on theories which are related to long term financing and

optimal capital structure in the corporate sector. Together with that, topics which include managing the shareholder's value, risk and return, risk and refinements in capital budgeting, leverage and capital structure, dividend policy, hybrid and derivatives securities, financial risk management and corporate restructuring will also be discussed.

.....

**BWFF3023 CREDIT MANAGEMENT**

**PREREQUISITE: BWFF2033 Financial Management**

This course discusses the concept, principle and application of credit management especially for business and individual needs. Emphasis is given on the techniques in forming credit policies, valuation and monitoring of accounts according to the objectives of the organization in providing credit to its customers, management of cash flows, monitoring steps in collection, insurance, collateral and legal aspect are also discussed. Additional focus is on the principle and application of trade credit management in Malaysia.

.....

**BWFF3033 FINANCIAL MARKET AND INSTITUTIONS**

**PREREQUISITE: BWFF2033 Financial Management**

This course exposes students to the Malaysian financial landscape including the formation, evolution and development of the Malaysian financial system since independence. Topics covered include the types and functions of financial institutions, capital market, money market, derivative market and foreign market. The development of international financial markets is also discussed.

.....
